iGet it!

Meeker Elementary families,

I ask that you take a moment to consider joining the Meeker Elementary PTA. Membership is used to assess the vitality of our organization and without members we would not exist. The PTA provides resources and adds fun into your child's time here at Meeker Elementary including: books for the library, movie nights, book fairs, PE equipment and art docents in the classroom.

**Your membership is simply a sign of your support in what Meeker Elementary PTA provides for teachers, staff and your children.**

Anyone can become a member of the PTA : parents, grandparents, students, siblings and community members at large. We even have a teacher who purchases gift memberships for her classroom volunteers! Meeker has achieved 100% membership (one membership for each child enrolled at Meeker) for the last three years and my goal is to continue this trend. Please take a moment to consider joining this awesome organization because it benefits the students in many ways.

Membership also gives you discounts to the following businesses: Sparks Deli in Puyallup, FedEx Office, Great Wolf Lodge, KeyArena/McCaw Hall, Value Village, Xfinity Arena in Everett, Hertz rental, Staples, Sylvan Learning and more. Additionally you receive discounts for Meeker PTA sponsored events such as skate night, swim night and Meeker Munchies.

Thank you for your support and I look forward to seeing you at a PTA event!
